The traffic of seniors to Mr. Sullivan's office is never ending. We went to him with our problems, complaints and worries, seeking sound advice and encouragement.

In an attempt to thank him for his support and aid, the class of 1970 dedicates this yearbook to Mr. Raymond C. Sullivan.

The Massachusetts State College Board of Trustees appointed James Thomas Amsler as seventh president of North Adams State College on September 1, 1969. For Dr. Amsler the appointment represents a twenty-one year association with higher education in the Commonwealth of Massachusetts. He began his career as a teacher in the public school of Reading, Massachusetts, moved into the laboratory school of Salem State College, Salem, Massachusetts and, in 1956, was made Associate Professor at the same college. At various times during his tenure at Salem State College, Dr. Amsler was Director of Student Teaching, Chairman of the Department of Education, Director of Admissions and Dean of Student Affairs. On November 1, 1968, Dr. Amsler was appointed Associate Director of the Division of State Colleges.

President Amsler was graduated from Fitchburg State College, Fitchburg, Massachusetts in January, 1943. He earned his Master's Degree from Harvard University and his Doctorate from Boston University.

The Class of 1970 was fortunate to be a part of North Adams State College during President Amsler's first administrative year. We sincerely wish that Dr. Amsler's future at NASC will be prosperous and successful.

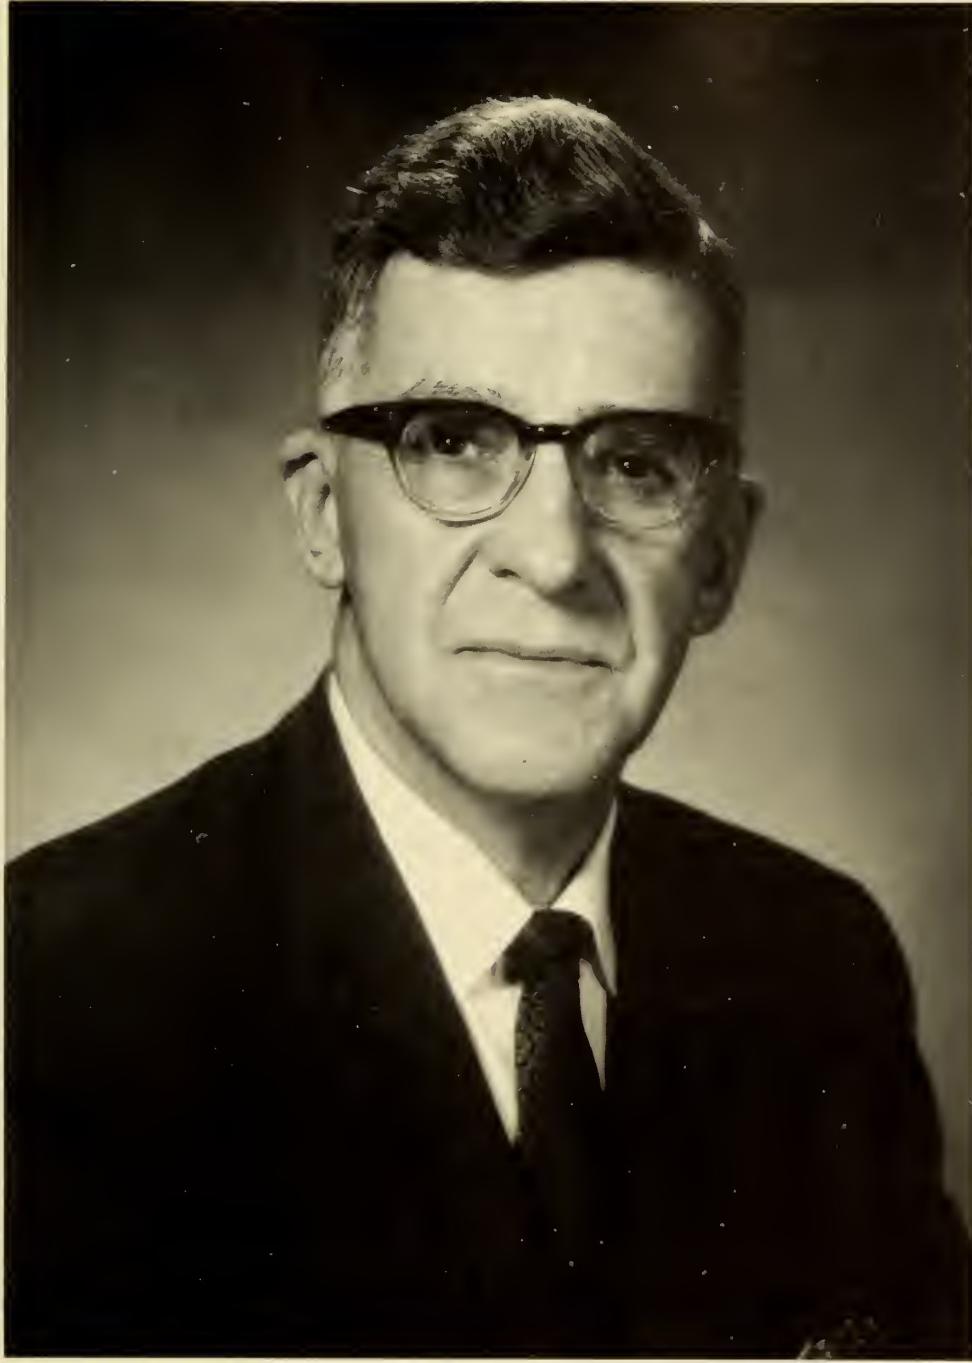

EDMOND K. LUDDY

Mr. Luddy retired in June, 1970, as an associate professor of history after an association with the college of thirty-three years. During those years he acted in many capacities. He served as chairman of the faculty and of the department of social studies. He organized and also managed the College bookstore for many years. He was chairman of the Academic Standing Committee and of the humanities division. He was founder and faculty advisor for the Newman Club for many years and also organized the Frank Fuller Murdock Honor Society, serving as advisor since its inception many years ago. The first physical education program for men was inaugurated by Mr. Luddy in 1938.

Mr. Luddy has contributed to the life of the city of North Adams. He was a member of the City Planning Board for ten years, serving four years as chairman. He is also a member of the American Historical Association.

The Class of 1970 thanks you, Mr. Luddy, for your outstanding contributions to North Adams State College and for your energetic devotion to the teaching profession. May you enjoy many years of retirement.

AMES S. PIERCE

Mr. Pierce retired in June, 1970, as an associate professor of history. He was associated with North Adams State College for ~~twenty-four~~^{EIGHTEEN} years. Mr. Pierce acted in many capacities during that time. He served as chairman of the history department and was also advisor to the International Relations Club.

It is the sincere desire of the Class of 1970 that you, Mr. Pierce, will find happiness and contentment in your retirement. We appreciate the four years during which we were able to profit by your knowledge, wisdom and guidance.

IN MEMORY OF

Valerie Frances Ordyna

September 24, 1948 - February 11, 1967

After the tempest—calm,
After the shadow—light,
And the golden dawn
 breaks clearly
After the long, long night,
After the rain, the sunshine,
After the tears, the laughter—
 And when this life is over,
 Life eternal follows after.
